

Year 5 - Newsletter

Welcome to Summer Term 1, we have many exciting things to look forward to in this very short term.

We are delighted to welcome a new teaching assistant, Miss Bonner, to Year 5 who will be supporting our children in their learning this term.

In English we are reading the text 'The Adventures of Odysseus'. We will be using this book to explore poetry, narrative writing and finding new ways of using descriptive language.

In our Maths lessons, we are focusing on fractions, decimals and percentages. The children will be able work out equivalent fractions and convert these into both decimals and percentages.

Our creative topic this term is 'Ancient Greece', this links perfectly with our overarching topic of the term, 'Respected Champions'. Throughout our creative lessons, we will be exploring the history of Ancient Greece; what they wore; how they lived; and their link to the Olympics.

In Art, we will be creating our own ceramic tiles and making 2D mosaic vases.

In French, the children will be learning vocabulary around healthy living. At the end of the term, the children will be able to use their new French vocabulary to create a persuasive poster about healthy eating.

In PSHE, the children will be exploring the qualities of a good friend and will share ideas about how they can strengthen their friendships and be good

friends to others. They will put these ideas into a piece of drama to perform in the PSHE assembly.

In RE, the children will be exploring a different faith unit, which for Year 5 is Islam. The children will be identifying the similarities and differences between Islam and Christianity.

We are excited for those children who are participating in Bikeability this term, and hope they enjoy learning some new skills outside of their usual classroom environment.

A massive well done to the whole of Year 5 for all of the hard work they have put in to their Talent Show on 2nd May. We're sure you will agree that it was a wonderful evening.
