

Year 3 – Term 1

Enriching generations to serve and flourish

Communities around us

This term our curriculum theme is Communities around us, this is all about looking at ourselves and our local area. In Geography we will be looking at the UK which will relate to the theme by taking a walk around our local community. We are studying Dr Seuss as an author, and comparing two of his books; 'Oh the Places you will go' and 'Diffendoffer Day'.

Our **Art** has a focus on collages, where the children will be making their own portraits by the end of term.

For **P.E.** the children will be doing gymnastics and hockey.

In **French** they will be learning the basic vocabulary.

We have Mrs Stapleton teaching the children for **Music** where she will be focusing on music vocabulary.

In **PSHE**, we are focusing on ourselves and building on our empathy skills so that we can understand how other people are feeling.

In **Maths** this term, we will be focusing on place value and understanding number.

How we
serve and
flourish

In **R.E.** we will be looking at and studying the process that people go through to be baptized. We will also be identifying the reasons why people choose to be baptized and the lifestyle guidelines that they follow.
